For reporting to Highways

1. Tewkesbury Road leading to Forge lane (between Newent and Upleadon). Entrance to Carswalls Farm on the edge of Tewkesbury Road, road is prone to flooding at this point and the additional concern is that beneath there is a large pothole which is hidden from unsuspecting motorists and indeed other users and is deemed a hazard.
2. Gloucester Road in the vicinity of Upleadon Village Hall in the direction towards Upleadon Cross, the roadway on the right hand side is breaking up in two places.
3. (This has been reported before and confirmed as being repaired, but still outstanding) part of the edging around the War Memorial at Upleadon Cross is broken. In addition the verge from the Cross leading into Forge lane to the first houses on the right (School View) has been badly eroded.

The meeting concluded at 7.15 pm.
